

SPIDER LAKE SPRINGS RESORT

JULY 2021 NEWSLETTER

In this Issue:

Celebrating SLSR

Flotation Devices

Social Events

Parking

Bike Riding

Volunteers

Celebrating SLSR:

In 2020 celebrations for the 30th Anniversary of the Park had to be cancelled. Plans are in the works to celebrate this during the September Long Weekened. We are looking for photos to display at the store. Please contact Justine Scott at slsdirector.b@gmail.com.

Flotation Devices: As our community has grown so have the number of people and flotation devices in our swimming ponds. There have been counts as high as 200 people in Angel Pond on a long weekend. Large flotation devices lessen the enjoyment for those swimming or wishing to sit on the sand area. If you have a flotation device, please keep it small and be kind to those around you. Please consider taking it to Horne or Spider Lake.

Social Events:

Check out all the great July events on the website and Facebook pages.

Parking & Overflow Parking Areas:

If you cannot fit your vehicle on your campsite, please move it to an overflow parking area, never on the road way.

Bike Riding:

We love to see bikes being ridden in the Park. Please ride bicycles in a safe manner and at safe speeds. Bike riding at night is prohibited and is not permitted around the perimeter of ponds or on playgrounds.

For all up-to-date information, Rules and Regulations and contact information please visit the website:

Spider Lake Springs Resort

Looking for Volunteers:

Store:

Volunteers are needed to help cleanup the SLSR store. The store will not reopen this season but needs a good clean. We may be able to use it as a club house for the youth. There is lots of work that can be done this year. If you would like to volunteer to help, please contact Donna-Marie Lamb at coastgalcreations@gmail.com or 250-204-4192.

Putt Putt Golf & Badminton Court:

Volunteers are needed for the development of a small putt putt golf area and development of a badminton court. If you would like to help, please contact Brian Lamb at slsmanager2@gmail.com

Park Improvements:

The Park Manager welcomes volunteers to help with the beautification of the park and pond maintenance such as weeding. Please contact Park Manager, Brian Lamb at slsmanager2@gmail.com.

Beverage Recycling & Sorting:

One couple has offered to help with sorting. Recycling cannot open until more volunteers are available. Consider getting some friends together and picking sometimes you can help. Each truck load picked up brings the park about \$1,000 but that is over 6,500 items that need sorting. If you would like to help please contact Robert at A-19 or slsrtreasurer@gmail.com.
