**Social Events:** Events planned for August long weekend are; movie night, costume bike parade, dance, slime time, artisan fair, touch football and baseball tournament. Event information is posted to the SLSR website and Facebook pages.

**Complaints/Concerns:** Please direct any complaints or concerns to the Park Manager, Brian Lamb, in writing at [slsmanager2@gmail.com](mailto:slsmanager2@gmail.com). Complaints made verbally because of extenuating circumstances must be followed up by a written description (email acceptable) of the incident or event. A complaint form will be created that will be available outside the store and on our website.

**SLSR Logo Clothing:** A new price list has been added to our website. Orders being taken for Hoodies and T-shirts! To view and order, see booklets available on our website, at the store front or from Karen B-12 and Robert A-19. Prices subject to change by supplier.

**Bike Riding:** We love to see bikes being ridden in the park. Please ride bicycles in a safe manner and at safe speeds. Bike riding at night is prohibited and riding is not permitted around the perimeter of ponds or on playgrounds

**Guests Entering the Park:** Owners are responsible to make arrangements to meet family and guests at the gate. The buzzer is meant for trades people and deliveries.

**Dogs:** There have been numerous complaints regarding aggressive dogs. Please email the Park Manager, Brian Lamb, at [slsmanager2@gmail.com](mailto:slsmanager2@gmail.com), to report an aggressive dog. Campers also have the option of calling the Coastal Animal Control Services of BC at 1-888-754-1397 or email [cacs@telus.net](mailto:cacs@telus.net). Please see Rules and Regulations, **Section 8. Resort Safety, Section 8.7.**

**Waterslide:** There is a reason why the waterslide is only open for 2 hours. While in operation a staff member is required at the top of the slide and a volunteer at the bottom. We are governed by regulations from VIHA. Brian Lamb is the only qualified operator. If the slide runs all day it would have to be closed after a few hours to perform mandated pool water testing. If he is on his day off, he has to come back to the park to perform the required testing.
