**Social Events:** Events planned for the July long weekend are paddle board races, sand castle competition, bubble party, picnic in park with DJ, freezie sales. Event information is posted to the SLSR website and Facebook pages.

**Sports Equipment:** Due to the store not being open this season everyone needs to supply their own sports equipment.

**Emergency Contact:** [Emergency Procedures](#) can be found on the website, including the Emergency phone number, which is 250-240-7818. There is an emergency contact card on the SLSR website under the Documents tab. How do emergency staff gain access to the park? Bowser Fire Station has a gate card in all their trucks. As ambulance services come from a number of areas it is not feasible to give them all gate passes. All emergency staff use the buzzer at the gate and will be escorted by park staff to the emergency.

### Rental of the Store:

SLSCA was not able to hire enough staff to open the store. Please contact Rob Scantlebury at [slsrtreasurer@gmail.com](mailto:slsrtreasurer@gmail.com) if you are interested in renting the space this season or next season.

**Waterslide:** If the final inspections go well the waterslide should be open by the July long weekend.

### WIFI In the Park:

We are still waiting for Telus to send a crew into the park to assess our needs for WIFI.

**Entering Other Owners' Campsite:** We remind campers they are not permitted to enter another owners' campsite without their permission.

### Parking & Overflow Parking Areas:

If you cannot fit your vehicle on your campsite, please move it to an overflow parking area, **never** on the road.

**SLSR Logo Clothing:** A new price list has been added to our website.
