Store: If you have the time please consider volunteering this camping season. Contact Karrie Lee, D50 at karrie.lee89@gmail.com.

Social Events: Check out our website and Facebook page for upcoming events.

Playground Fundraising Committee: A silent auction event is being planned for the afternoon of Saturday August 2nd. Please reach out to Laura at sbsdiretor.e@gmail.com if you have an item or service to donate!

Speed Limit: The speed limit in the park is 5km. Cars, electric bikes, motor scooters and the like must adhere to the speed limit.

Did You Know?: Construction of SLSR started in 1990 with 42 acres. While still under construction another 23 acres were purchased making the Resort 65 acres, of which 3 acres are ponds. We have 310 sites.

Leaves & Branch Pickup: Leaves and branches are to be put in a tarp for pick up or in bins with site number on them to be returned. Buckets and tarps should weigh no more than 50lbs as per WCB health and safety regulations. No gravel in with the mix, bins.

If it's a truck load, contact staff and they will drop off a trailer for site owner to load. Staff will take the trailer away once filled.

Garbage/Recycle: The garbage bins are for normal household waste ONLY. Take other items out of the park and dispose of them responsibly at a transfer station or recycling depot. Doing anything else costs all of us as GFL fines us when they find items that should not be in the bins.

Power Outages: A quick way to know if the power is out on your site or the whole park is to turn on your water. The water pressure would diminish as the pumps are relying on electricity to operate.
