**Welcome to the new camping season!** We can hope that Spring and Summer will follow this month! The Social Committee has a full program for your May long weekend! Be happy, be safe and enjoy the season of camping!

### **Sports Equipment:**

All sports equipment will be kept in the store. If someone wishes to sign out any equipment, they will be required to leave their gate pass until they return the equipment. This rule has been added due to most of the sports equipment going missing or being destroyed. When the store is closed, people will need to use their own equipment.

**Fire Equipment:** Our Park Manager, Brian Lamb, has been gathering items in the event of a fire in the park. There will be a trailer located in the staff work area beside the field with the equipment needed to suppress a small fire.

**Social Events:** Victoria Day long weekend events are posted to the SLSR website and Facebook pages.

**Future Planning Committee:** Hydro upgrade project is ongoing. Please see the website for the Draft April Board Meeting minutes for updates on the Telus fiber optic project.

### **BMX Bike Area:**

A BMX bike area is in the works. Park Manager, Brian Lamb, is looking for ideas about what this area should look like and where it should be in the park. Please speak to your children/youth/teenagers and email Brian at [slsmanager2@gmail.com](mailto:slsmanager2@gmail.com).

**Dogs:** Campers are responsible to clean up after them. All dogs must be kept on a leash when outside of your campsite and secured within your campsite. This is for the safety of all the beloved pets in the park. There are 2 dog parks, where your pet can be off leash as long as you are abiding by all posted rules. Staff will be building a fence around the dog pond for better control of off leash dogs.

### **Parking & Overflow Parking Areas:**

If you cannot fit your or a guest vehicle on your campsite, please move it to an overflow parking area, never on the road way. Never park on the road.
