Social Events: September long weekend events will be posted to our website and Facebook pages.

Access to the Resort: Section 2. 2.07 Each License Holder is responsible to make arrangements to meet their visitors and guests at the Resort gate and escort them to the License Holder's campsite. **2.08** The intercom connection to the gatekeeper is for campground business and/or emergency access only. It is not to be used outside of normal office hours (8am to 4pm) unless for an emergency. It should be noted that when staff are admitting people who use the call button at the gate, it undermines Resort security and takes staff time and attention away from other things.

Lost and Found: There is a lost and found located in the Park Manager's office. Turn items into any staff member and use the call button located outside the store when looking for items.

Resort Safety: Various dangers are common in nature and in today's society. It is strongly recommended that parents and guardians be aware of where their children are, at all times.

Occupancy: Section 4. 4.03 No License Holder shall have more than one Camping Unit, one Sleeping Unit and one Guest Unit at any time on each campsite for which he holds a valid License to Occupy. **This means that regardless of whether the campsite has a sleeping unit or not no campsite is permitted more than one guest unit.** Manufactured homes, mobile homes (except for RV Park model trailer units), relocatable homes (tiny homes), relocatable buildings, cargo trailers, modules and the like are specifically prohibited from the Resort.

Campsite Lease Regulations: Section 12 12.01 License Holders are prohibited from leasing or renting their campsites on short term leases for periods of less than two months.

Winterizing an RV: If you have never winterized an RV you should consult your RV owner's manual or you may want to check the internet to determine what is required. The water in the park is turned off from October 15 to April 15.

SPIDER LAKE SPRINGS RESORT

SEPTEMBER 2023 NEWSLETTER

Emails from the SLSCA Board Secretary: The SLSCA Board of Directors sends out numerous emails a year via spiderlakesecretary@gmail.com. This year you should have received emails April to September with the Newsletter and information regarding the WIFI Project. If you have not received these emails, please check your spam/junk folders. If you still cannot find these emails, please contact the Secretary to confirm she has your correct contact information.

Safety of Staff and Campers: Section 9

Bullying and harassment is not acceptable nor tolerated in this Resort.

Conduct or comments that might constitute bullying and harassment include verbal aggression or insults, calling someone derogatory names, vandalizing personal belongings, and spreading malicious rumours.

Utility Services: Section 5. 5.03 c) A License Holder shall be responsible to ensure that the drain valves of holding tanks in the Camping Unit remain closed at all times except for a few minutes during draining. If the holding tank drain valves are left open, the local Park sewage system may be vented through the RV vent and sewer smells, and potentially dangerous methane gases, may result. P-traps in the drain hose are not an acceptable alternative to closed drain valves.

SLSCA Board of Directors Meetings:

The SLS Campers Association Board of Directors meetings are held the third Sunday of each month (except for December) at 10:00am in the park. All owners are welcome to attend or send questions to spiderlakesecretary@gmail.com. Minutes are posted to our website.
