

Spider Lake Springs Campers Association
Rules & Regulations/Bylaws Committee

This committee will be ongoing to help keep the SLSCA Rules & Regulations and the Bylaws documents current.

The Committee will present suggested additions/corrections/changes to the Board.

Additions/corrections/changes must be approved by the Board prior to the documents being updated.

Rules & Regulations

- Rules & Regulations are for the running and operation of the park. These are for our own purpose only, to provide clarity to all shareholders on what is expected in the park. The R&R are not filed with any organization but ourselves, so they can be updated as and when needed, with no filing or fees.

Bylaws

- These are the formal rules to run the society and are filed with the Registrar of Societies. Any changes require a new filing with the Registrar at a fee.
- Contains the basic formation of the society, running of meetings, AGM, elections, quorums etc. All things that seldom change, unless the society is restructured.
- Updates to the Bylaws must be approved by SLSCA members at an AGM.

Members and Shareholders Agreement

- This document is part of the share package received and signed by all license holders. In it is information from both the Rules & Regulations and Bylaws documents.
